No. 12

Dated Bangalore, 25 July 1901.

From

The Dep. Az Commissioner

Bangalore District.

To.

The Secretary to the

Govt. of Mysore, Rev. & Genl.

Dept.

Sir,

With reference to your docket No. $\frac{827}{2\,R\,(P)\,119}$ dated the 18 July 1901, I have the honor to state that since the beginning of last month no less than 34 villages, both in the Bangalore and Anekal Taluks, have been either newly infected or re-infected, in consequence of which the clerical work

work - both correspondence and Statistical - has greatly increased. In addition to the Registration and Compilation of plague Statistics and Returns and Correspondence connected therewith accounts with reference to the Expenditure incurred on account of plague preventive measures and disinfection of houses &c. - have to be carefully checked and maintained and Statements in triplicate have to be prepared and submitted to Govt. and the Comptroller. Moreover, in accordance with present orders, Fortnightly Statements showing the measures adopted in village to improve rural Sanitation,

have to be compiled and sub-
mitted fortnightly to Govt., and
there is annual Administration
Report, with its statistical ac-
companiments to be prepared
and forwarded, so that the services
of both the plague Clerks are
absolutely necessary for the
efficient discharge of duties;
and I therefore again beg to
urge that I may be permitted
to retain them till the end of
December at least.

2. As the District Plague
Officer in addition to his arduous
work as District Superintendent
of Police, has onerous and exact-
ing duties to perform in connection

with

with Plague I Solicit the Continuance of the allowance as hitherto drawn by him, up to the period the Establishment is allowed to Continue

I have the honor to be,
